RE-SUBMISSION OF FORMAL DRAWING

Sir:

Applicant submitted formal drawings for entry in this application on November 16, 2004. The drawings apparently "crossed in the mail" with the Notice of Allowance and there is no indication that the drawings were entered in the application.

Applicant hereby re-submits formal drawings for filing in this application. These drawings are the same as the drawings filed on or about November 16, 2004

Please substitute the new drawings for the drawings originally filed in the application.

Respectfully submitted,

Either this marking technique on the front of the drawing or the placement of this information on the back of the drawing is accepted. However, for identification of the application number, the PTO prefers that it be placed on the front. Notice of September 30, 1986 91070 O.G. 47-59, 54-5).
